

PressureSolver

```
graph BT; SOR[SOR] --> PressureSolver[PressureSolver];
```

A diagram illustrating a dependency between two components. At the top, a rectangular box contains the text "PressureSolver". Below it, another rectangular box contains the text "SOR". A vertical arrow points from the top of the "SOR" box to the bottom of the "PressureSolver" box, indicating that the "PressureSolver" component depends on or uses the "SOR" component.
